WARRANTY AGREEMENT

The enclosed warranty for our product is as strong and effective as we can make it. Our windshields and windows are warranted against defective materials and workmanship. The warranty is limited to the replacement of the defective parts. Prior to installation the protective coating should be peeled, and the part inspected. After inspection, the window may be recovered with the protective coating which was removed. There is no allowance for labor costs incurred during installation and removal of a defective part. Return freight is not covered unless window is found to be defective.

Perkins Aircraft Services will not assume any liability for damages due to improper installation, modification, unauthorized repair, or any damage incurred during shipping.

Our warranty does not cover cracking, crazing, scratches, or breakage.
